Galkowski C., Lebas C., Wegnez P., Lenoir A. & Blatrix R. 2017. Redescription of *Proformica nasuta* (Nylander, 1856) (Hymenoptera, Formicidae) using an integrative approach – Corrigendum. *European Journal of Taxonomy* 299: 1–2. <https://doi.org/10.5852/ejt.2017.299>

In the original publication, Fig. 1 mistakenly cited *Proformica pilinotum* sp. nov., which is a *nomen nudum*. The intended name was *Proformica longipilosa* sp. nov., which is reflected in the updated version of the figure provided below, which also includes a correction of the year of publication cited in the figure legend.

**Fig. 1.** Distribution of the 22 localities where *Proformica* nest samples were collected. The star indicates the type locality of *Proformica nasuta* (Nylander, 1856) (i.e., Beaucaire).
